

April 12, 2018

Dear Parents,

Granny came for a visit this week and she gave everyone a gumball just for being so sweet. In math we continued to practice solving story problems with extra facts. We are also doing more work with fractions. We are mastering our last couple of phonics charts. We like saying them all different ways and timing them to see how fast we can say the rules. We are about to begin working on a fictional narrative space story in our writing folders. We finished our space unit and now will begin a study of insects and butterflies. We are starting a mystery unit in our classroom too. We will be enjoying a fun mystery snack during testing week. Details will be sent home next week.

Next week we will be doing our final review for the SAT's. We are ready!

On May 3rd, the school will be enjoying the 15 minutes of extra break our parents bought at the gala. It will be a fun time with the older kids.

Please also put May 4th on your calendar. That Friday is Parent Appreciation Chapel; we want to shower you with love and praise that day!

Thank You:

Arianna for the little gift box of goodies
Aaron for the chocolate peanut butter candy
Maja for the fresh eggs

Homework:

Spelling worksheet due Tuesday
Phonics worksheet due Tuesday
Daily Gram due Thursday
Math worksheet due Thursday
