Week #18: January 15 - 19

The Headlines

Next week in:

Math - Measures of Time; Finding Common Factors

Science - Plant Review; Test

History - 4th Grade Mall classwork: Infomercial

Bible - John 10:22-42 "Jesus is God, nothing less"

4th Grade Mall

* Looking ahead at what's coming up with the Economics Project:

January 16 - 19: Commercial (plan and film)

January 22 - 26: Store front display

January 29 - 31: final details, Mall on the 31st

* As a reminder, we will do a lot of planning and advertising in class, but *please* stay on top of the actual making of the goods/services. **All production of the goods will be done at home.** Students have had wonderful ideas! But many of them involve a decent amount of legwork; please help them stay on track with these. Last minute making will be really tough as they have to make enough goods to supply the school. Please let me know if you have any questions or concerns at any point. The classroom excitement for the mall is contagious! I think you all will really love and be so proud of all the ideas this group has come up with 😊

Welcome Back!!!

I hope everyone had a wonderful Christmas and a Happy New Year!

Thank you also for my amazing classroom gifts. You all are so generous and know me so well! I can't wait to put it all to great use

I am so thankful for this group of students and families, and I can't wait to see what God has in store for 4th grade in 2018!
