

Miss Kelley's 4th Grade News

Week #19: January 22 - 26

The Headlines

Next week in:

Math - Measuring to the Nearest Centimeter; Review of Common Factors; Greatest Common Factor

Science - Start Chapter 5: God's Gift of Water; Water for Life; Water, Steam, and Ice; Water Changes State

History - 4th Grade Mall classwork: Store Front Display

Bible - John 11:1-37 "Jesus is GOOD to us through hard times for GOD'S GLORY"

4th Grade Mall

* Looking ahead at what's coming up with the Economics Project:

January 22 - 26: Store front display

January 29 - 31: final details, Mall on the 31st

* As a reminder, we will do a lot of planning and advertising in class, but *please* stay on top of the actual making of the goods/services. **All production of the goods will be done at home.** We will be completing the above-mentioned components at school. Students have had wonderful ideas! But many of them involve a decent amount of legwork; please help them stay on track with these. Last minute making will be really tough as they have to make enough goods to supply the school. Please let me know if you have any questions or concerns at any point. The classroom excitement for the mall is contagious! I think you all will really love and be so proud of all that this group has done. ☺

Open House

* On Thursday, January 25th, FCS will have an open house at 7pm. This is an opportunity for prospective families to come to our campus to meet teachers and learn about our school. If you know of any families who might be interested in learning about FCS, we would love for you to invite them to come! We will meet in the RICE building at 7pm.

Study Hours

* Reminder that study hours sheets are due on the 7th of every month (for the prior month's hours).

* Please turn in your sheet for **December** if you have not done so already. Thank you!
