

# Miss Kelley's 4<sup>th</sup> Grade News

Week #6: October 2-6

## The Headlines

### ***This week in:***

**Math** - English Liquid Measure, English Table of Weight Measures, Checking Division with a Remainder

**Science** - Finish Chapter 5, Review for Test

**History** - Civil War, America Becoming a World Power

**Bible** - John 4:1-30 Jesus cleans people and uses them for his Glory.

### **Book Report and Reading**

\* Please read the book report outline and rubric sent home last week (it's also posted online on the FCS 4<sup>th</sup> grade page) and let me know if you have any questions. The script is due first (October 5<sup>th</sup>) and the presentation will be the following week (October 10<sup>th</sup>).

\* Please find, order, or borrow the book "Lunch Money" by Andrew Clements and bring it into school by October 9. We will begin reading it together as a class soon.

### **Progress Reports**

Please take a look at the progress reports in your child's folder. You can keep the progress report at home, you do not need to sign and return it. You will need to sign and return report cards that come out after each quarter.

### **Study Skills Tips**

\* Continue practicing math facts (especially multiplication, although continuing to pick up our speed and efficiency with addition and subtraction would also be a beneficial as we build on our multiplication and division).

\* Multiplying 2-digit numbers is another area to continue to work on. *I included several additional practice sheets in the HW Folder in the past.* Please work on two digit by two digit and three digit by two digit. For example: 35 x 62. As well as 426 x 43.

## Next Week's Homework and Events

\*Please note that this list does not include homework assigned from Mrs. Tosspon.

### Monday, October 2

~ Picture Day

~ Science: Answer questions C & D on page 79 on a piece of notebook paper
