### Instructions for Completing FCS Record of Home Instruction/Study Hours:

- 1) Enter the Month and Year for which you are reporting.
- 2) Enter Student Name and Grade.
- 3) Log the amount of time spent during each week in any of the subjects listed.
- 4) At the end of the month, add the time logged for each week in each subject and enter the sum in the Total Hrs column.
- 5) Add the entries in the Total Hrs column and enter the sum in the Total Hours for the Month line.
- 6) Sign and date the form before turning it in to the student's teacher.

Weekly totals for hours should be a minimum of 4 hours (round times to nearest ¼ hour.)
