

Armor of God
November/December Family Activity
Due: Tuesday, December 8th

Student Signature: _____

Parent Signature: _____

Shoes of Peace

Read Ephesians 6:15 in your Bible.

We are told to have shoes fitted with the gospel to remember God's word every day.

Shoe Soup

Supplies: As many pairs of shoes from members in your house.

Determine how many people will play in your house. One person must be the "head chef" instead of a cook. All cooks place a few pair of shoes in the center of the room. The head chef calls out a certain task, like "let's go to the beach" and all cooks run in and grab the shoes appropriate for that task.

Some other suggestions for a task: run a race, watch a movie, take a shower

After each round, place all the shoes back in the center of the room.

Questions to answer

1. Why is it important to have the proper shoes for certain activities? _____

2. Just like God's peace, a good pair of shoes can protect tender feet from painful ground. Why is it important to wear God's peace with us every day?

3. What can the shoes of peace protect us from in life that might want to poke us or hurt us?
