

**TO PARENTS OF 7TH GRADE STUDENTS:**

The Florida Department of Health requires all 7th grade students to have a Tetanus, Diphtheria, Pertussis (TDAP) booster. This immunization form verifying that the shot has been administered **must be in the school office prior to the first day of school**. Please be sure the part verifying the 7th grade booster is completed.

Thank you for your attention to this matter.

In His love,
