

TO PARENTS OF K5 STUDENTS:

The Florida Department of Health requires all K5 students to have a complete immunization form on file with their school. This immunization form verifying that the shots are up to date must be in the school office **prior to the first day of school**. Please be sure the part verifying that the immunization list is completed and doesn't have an expiration date that is past.

You may have uploaded it when you filled out your enrollment forms. If so, you are all set. If not, here are some ways to get it to us over the summer:

Email to familychristianoffice@gmail.com
Mail to PO Box 770698 Oakland, FL 34777
Bring a copy to Meet the Teacher day

Thank you for your attention to this matter.
