### Headlines

**Florida Notebooks** will be coming home next month. This is a significant assignment that requires research and printing done at home. A suggested guide will also come home to help pace the work.

**Bikes** come to school Friday, September 24<sup>th</sup>. Please drop them off in the morning and send a helmet. Please drop off bikes next to the gaga ball pits.

**Math Facts:** As we start new concepts in math, please take some time to practice the times tables. They are key to making harder math concepts easy when the tables are memorized.

A fun way to do this is by playing Yahtzee as a family. Make sure your student does all of the math during the game. It uses lots of quick addition and multiplication.
